December 2012

The President's _____ Line

For those of you who attended the Fly Fishing Film Festival, you know it was a great success. Thanks to our sponsors and the STFF members who attended the event, STFF is able to make a substantial donation to casting for Recovery, a fantastic women's breast cancer recovery program. But success doesn't happen by accident, as it is the result of effective leadership and in that regard, super kudos to Marsha Caranci and her committee members for a truly outstanding job!

With the start of Winter, there's sometimes a tendency to believe that fly fishing has ended until next spring. Well, for members of this club, that's just not true! STFF has lots of fly fishing activities scheduled throughout the Winter months. Just check the newsletters and you'll find fly tying, rod building, fish-outs, novice fly fishing classes, beginners fly tying classes, a fly tying expo **not to mention our Holiday Buffet on December 12th and the 2013 Annual Banquet on February 2nd.**

Speaking of our Holiday buffet, please note that **STFF's December Meeting will be held at the Park Marina Events Center on December 12th starting at 6:30PM.** This meeting will include a celebration for the holidays as well as our accomplishments for the past year with **an outstanding (and totally free) holiday buffet.** Kathie Burns is arranging for a variety of dishes to be served, so don't eat dinner before you come to the meeting! **Note: The location at the Park Marina Center allows adult beverages so BYO soft and/or adult drinks).**

In addition, **we hope some our members will bring their favorite holiday goodies to share with all the attendees.** Coffee will be available, but you may also bring your own soft and/or adult beverages. **Santa will again join our meeting this year to present "goodies" to some of our members.**

Here are the details of the December 12th meeting:

Location: The Park Marina Events Center (next to the UPEC office) at 1800 Park Marina Drive. This is the same location used for the September meeting, just off Hwy 44.

Agenda: **There will be no guest speaker!** However, in accordance with the provisions of our bylaws, we will have brief business session including the election of officers and board members for 2013. There will also be some short announcements regarding the club's activities for December. The general meeting will then adjourn for the start of the festivities.

Our club strives to offer our members a wide range of fly fishing activities at little or no cost. **The main funding for those activities is generated through our annual banquet.** But more importantly, the banquet is a very enjoyable event; it provides everyone an opportunity to socialize with others who share a common interest and it affords everyone the opportunity to grab some of the great deals that are available with over \$15,000 in fly fishing gear that is available through the raffles and auctions.

So, here's my request to each and every STFF member: Use the reservation form that you recently received. Fill it out and send the form with your check to our banquet chairman. This will demonstrate your support for your club and you'll have a great time attending the banquet. One final note: The planning and organization of the banquet takes a ton of work and lots and lots of time, so the later we receive your reservation, the more difficult you make the tasks for our volunteers. **So, please make a commitment to attend the banquet and then send in your reservation form right NOW!** **Happy and safe holidays to you and your family.**

December Membership Meeting

Note Special Location!!

Wednesday, December 12, 2012 -- Park Marina Events Center

Activities start at 6:30PM

As has been our practice in past years, the STFF meeting in December will include a celebration for the holidays as well as our accomplishments for the past year. In that regard, the Board of Directors has decided to hold the meeting at a facility that better accommodates our plans for a serving food (a buffet) and drinks (BYO soft and/or adult).

Here are the details of the December meeting:

Location: The Park Marina Events Center (next to the UPEC office) at 1800 Park Marina Drive. This is the same location used for the September meeting. It is in the Plaza, just off Hwy 44.

Agenda: There will be no speaker! However, in accordance with the provisions of our bylaws, we will have brief business session including the election of officers and board members for 2013. There will also be some short announcement regarding the club's activities for December. The general meeting will then adjourn.

Refreshments: Because of the facilities available at this meeting location, **we will have a free buffet for all attendees.** Kathie Burns is arranging for a variety of dishes to be served, so **don't eat dinner before you come to the meeting!**

In addition, we hope some of our members will bring their favorite holiday goodies to share with all the attendees. Coffee will be available, but you may also bring your own soft and/or adult beverages.

Please note: Santa will again join our meeting this year to present "goodies" to some of the attendees.

STFF Fishout Calendar 2012

Day & Date		Location	Fishmaster
Thu	Dec 6, 2012	Trinity River	Bary Caranci
Sat	Dec 15, 2012	Lower Sac Wade/Float	Alan Jones

Members, please remember to wear your nametags to all STFF events! Bonus Fishouts may be announced. All Fishouts are subject to change. Please sign up at our monthly meeting or call the Fishmaster to do so. If you sign up and later find that you can't attend, please advise the Fishmaster. There are private waters scheduled for the year and generally they come with a limited number of slots available.

STFF Members: Please remember to wear your name badge to all Club functions.

You have all seen this announcement in every Shasta Caster but you might not even have a name badge or have lost your original one. Maybe you are a new member or not able to attend the monthly club meetings, where we have the badges ready for pick-up.

We have decided to mail out all those name badges so be on the lookout for your badge and please - **Remember to wear your name badge to all Club functions.** Thanks!

If you do not have a name badge or you have not received yours in the mail, please contact the Membership Chairman – Art Agnew – 722-0957 or artagnew@att.net

Mayflies Corner

The Mayflies held a potluck meeting on Nov. 14th. It was nice to extend the time together since we didn't have to leave for the STFF meeting, which had been held the previous week. Special recognition was given to Marcia Caranci and Kathie Burns as well as the other Mayflies who helped with the STFF sponsored Fly Fishing Film Festival, which served as a fundraiser for Casting for Recovery. We heard fishing reports from those that attended, including an interesting description of Sandy Johnson's fishing trip to Mexico.

We reviewed activities from the past year including the last fish-out on the Upper Sac that several of the Mayflies participated in. We also discussed the future of the Mayflies. We decided that we would like to continue to meet, however, instead of every month, we will begin meeting every other month beginning in February 2013. We will still meet before the STFF meetings at the STFF classroom, and our meetings will involve potlucks, brown bag, or pizza dinners. Information will be provided via email and in the Mayflies article prior to the meetings. We also agreed to host some Mayflies sponsored outings in 2013 like we did this past year. Several ladies offered to lead outings and more information will be available at future dates. We hope that this will encourage Mayflies and other STFF members to get out fishing! Sandy Johnson agreed to remain as the "not-so-temporary" Mayflies emailer with Jane Barnes willing to be her back-up. One concern that was raised was the lack of young girls who applied for a Fish Camp scholarship this past year. We encourage our members to reach out and encourage young girls to apply. Cris will look into contacting the local Girl Scout Council to see about ways we can educate and expose more young girls to fly fishing through scouting. If anyone has any other ideas, please contact Cris.

There will not be a December Mayflies meeting prior to the STFF meeting, however we encourage members to participate in the holiday gathering/potluck that STFF will host. Kathie Burns will be coordinating the food for this event. In addition, there will be a Mayflies Christmas potluck on Dec. 17th at 5pm at Linda Slater's home. An email will be sent out to all Mayflies with the details, including our "cut-throat ornament exchange" (so be on the lookout for good fishing-related ornaments)!

We hope your holidays are happy ones and that we will see you at the December STFF meeting as well as the Mayflies Christmas potluck!

-- Cris Rohn Hartman and Lorna Oden

Annual Photo Contest **At STFF's December 12th Meeting**

Photo Contest Rules:

- You must be a STFF member to enter contest.
- Photograph must have been taken in 2012.
- Photograph size - 8" x 10" MAX, 5" x 7" MIN.
 - No Frames or Matting can be entered.
- Photograph cannot be computer enhanced.

PLEASE WEAR YOUR NAME BADGE TO ALL CLUB ACTIVITIES. THANK YOU.

Shasta Trinity Fly Fishers - Trinity River Fishout

Thursday, December 6, 2012

Fishout Leader: Bary Caranci

Meeting Time and Place: 8:30 AM, Douglas City Fire Station parking lot, across from the store. Please remember to purchase your Fish and Game Steelhead Fishing Report and Restoration Card.

Fishing Location: Trinity River, somewhere between Lewiston and Junction City (depending on river conditions).

Equipment/Tackle: My rod preference is a 7 wt, but many use 6 or 8 wts. Tippet sizes from 2X to 3X. Sometimes tippet down to 4X for really low, clear water. Many use fluorocarbon tippet for clear water conditions. Many still use Maxima Ultragreen tippet material when swinging flies. Also, lighter weight Spey or switch rods are great on this river.

Angling Methods: With winter conditions (water temperatures in the low 40s) the most productive method would likely be nymph fishing under indicators. The indicator set-up is the same as is used on the Lower Sac, with about 6 to 7 feet between the indicator and split shot knot, followed by 12-14 inches of 2X tippet to the first fly, in turn followed by 12-14 inches of 3X tippet to the second fly. Some anglers tie-in the leader to the indicator and use a level tippet, say 2X tippet, down to the split shot knot. I prefer to attach the indicator to a tapered leader, so that it can easily be adjusted up or down and can be removed if I want to "tight-line" nymph without an indicator, or swing fish. In the Fall I many times use all 3 methods in a day's fishing.

For those traditionalists that want to swing flies, I suggest dark leech patterns (for example, black bunny leeches), and wet flies, such as assassins, burlaps, silver Hiltons, and muddler minnows (can be fished dry, if desired). Also, there may be an opportunity for afternoon dry fly fishing for brown trout and juvenile/adult steelhead or skating a dry fly.

Flies: #8-12 golden stone nymphs, #10-14 poxy hare's ear, #10-12 egg patterns (shrimp pink for colored water and darker conditions to champagne for clearer water and lighter conditions), #12-14 copper Johns (copper, blue and red), and #12-14 flashback PTs (for dries, BWOs, and March Browns). For swing flies see above.

Leader's Note: Please call me at 242-6554 or e-mail at barycaranci@aol.com, if you have questions. We will meet at 4 PM at One Maple Vineyards, as we did last year, to taste some wine and share the day's activities. See you on the 6th!

-- Bary Caranci

2013 STFF Banquet

"If you like fly fishing, you are going to love our banquet!"

The reservation forms for the 2013 Banquet [February 2nd at Win River Casino] have already been mailed to all STFF members. The banquet is a great opportunity to socialize with other members and also grab some great deals on fly fishing gear! [This is especially true for STFF's new members](#) -- don't be shy -- and don't miss the opportunity to participate in the club's biggest event of the year.

As a reminder, our banquet is the major fundraising event that we hold in order to support all of the programs offered by our club. But if that's not enough of a reason to attend, here's two more:

1. The banquet is always a blast, featuring great food, adult beverages and plenty of surprises. [If you like fly fishing, you are going to love our banquet!](#)

2. We'll have over \$15,000 in fishing gear, trips and artwork to offer through raffles and auctions.

Sometimes our club members suffer from the "STFF syndrome": that's the tendency to put off making a commitment until the last minute. If you suffer from that syndrome, please take an aspirin (or a martini) and make your reservations early!

STFF Board of Directors Information

Appointment of Secretary - Please be advised, that at the November 7th Board of Directors meeting, and in accordance with the provisions of the clubs bylaws, Liesje Blank was appointed to the position of Secretary (and Director) of The Shasta Trinity Fly Fishers.

A free program provided to wounded, injured and disabled veterans by:

Project Healing Waters Fly Fishing - Shasta County

The Project's program provides basic fly fishing, fly casting, fly tying and rod building classes, along with clinics for wounded and injured personnel ranging from beginners to those with prior fly fishing and tying experience who are adapting their skills to their new abilities.

All fly fishing and tying equipment is provided to the participants at no cost. Fishing trips, both one day and multi-day are also provided at no cost to the participants.

Project Healing Waters is unique in that our volunteers are teaching classes on an on-going, long term basis. It is much more than a one day fishing trip. For many participants, particularly disabled veterans, the socialization and camaraderie of the classes are just as important as the fishing outings, and provide them a new activity.

Project Healing Waters Update

“Griff “ Griffin, the STFF member who organized our chapter of Project Healing Waters, will be stepping down from his position as the project’s leader. Griff’s tireless work allowed STFF to establish one of the most successful new chapters of Project Healing Waters.

Griff is passing he “leadership baton” to a charter member of our Project Healing Waters team: Steve Spry. During the next few weeks, Griff will be assisting Steve in his transition as the new leader of Project Healing Waters.

**Speaker at January STFF Meeting
January 9th 6:30PM at the Redding Library**

Guest Speaker: Jon Baiocchi

Owner, Baiocchi's Troutfitters guide service

Jon Baiocchi has been fly fishing for the last 40 years on the waters of Northern California. His Dad, Bob, was inducted into the Federation of Fly Fishers Hall of Fame in 1999 and played a big part in helping Jon hone his fly fishing skills at an early age. Jon now owns and operates Baiocchi's Troutfitters guide service, tucked away in beautiful Northeastern California, where he has a reputation as a hard working guide that's been trained by some of fly fishing's best known anglers.

His locations for guiding include Lake Davis, the Wild & Scenic Middle Fork Feather River, Frenchman's Reservoir, Eagle Lake, the North Fork Yuba River, Lake Almanor, Little Truckee River, Big Truckee River, and many secluded creeks in Eastern Plumas Co.

He is an innovative tyer, speaker, educator, and a published writer. Jon's philosophy on fishing is to keep it simple, be confident in your presentation, and have fun! His favorite game is stalking and sight fishing to large trout in shallow water. whether it is a lake or river.

Membership Renewal for 2013

The membership renewal requests have been sent in the mail to all STFF members. In that regard, the Board of Directors has determined that the annual dues for single and/or family memberships will remain at \$35 for the 2013 calendar year. This is a fantastic price for all the benefits offered through STFF.

Please complete your renewal promptly and return it [with your check] to STFF in the envelope provided in the mailing. We would like to receive all the renewals as soon as possible so we can publish an updated roster of all the club members.

SEE YOUR PICTURE IN THE NEWSPAPER

I received a call from the Outdoor editor at the Record Searchlight asking for photos of STFF members fishing. Any time after April, 2012, anywhere in the world. Please email me any photos you may have. They do not need to be people holding fish, although those are fine. Photos of Healing Waters people casting would be great. Your photos are great P.R. for our club.

Thanks, Jerry Marks at jerrymarks@digitalpath.net
