### **January Membership Meeting**

**Wednesday, January 9, 2013, 6:30 PM at Redding Library**

**Guest Speaker: Jon Baiocchi**

**Owner, Baiocchi's Troutfitters guide service**

Jon Baiocchi has been fly fishing for the last 40 years on the waters of Northern California. His Dad, Bob, was inducted into the Federation of Fly Fishers Hall of Fame in 1999 and played a big part in helping Jon hone his fly fishing skills at an early age. Jon now owns and operates Baiocchi's Troutfitters guide service, tucked away in beautiful Northeastern California, where he has a reputation as a hard working guide that's been trained by some of fly fishing's best known anglers.

His locations for guiding include Lake Davis, the Wild & Scenic Middle Fork Feather River, Frenchman's Reservoir, Eagle Lake, the North Fork Yuba River, Lake Almanor, Little Truckee River, Big Truckee River, and many secluded creeks in Eastern Plumas Co.

He is an innovative tyer, speaker, educator, and a published writer. Jon's philosophy on fishing is to keep it simple, be confident in your presentation, and have fun! His favorite game is stalking and sight fishing to large trout in shallow water, whether it is a lake or river.

## Mayflies Corner

The Mayflies participated in the STFF Christmas party with many thanks to Kathie Burns for coordinating the food for the festive event. Following that, Linda and Jerry Slater generously hosted a Christmas party at their house for past and present Mayflies. A "cutthroat" ornament exchange, good food and a great time were had by all. To top the evening off, many of the Mayflies surprised Sue and Gary Young with a new collection of ornaments to decorate their Christmas tree after their loss during the Manton fire earlier this past summer.

Starting in 2013, the Mayflies will only be meeting every other month, starting in **February**. The meetings will start at 5pm at the STFF Classroom on the same night as the STFF Meetings, and we will let the Mayflies know in advance whether it will be a potluck, a brown bag, or whether they need to bring money for pizza, which we will provide. If any Mayflies have ideas or topics they would like covered during the meetings, please email Lorna Oden at [cookie2u@ymail.com](mailto:cookie2u@ymail.com) or Cris Rohn Hartman at [blmgirlranger@yahoo.com](mailto:blmgirlranger@yahoo.com). We also want to encourage all of our Mayflies to sign up for the STFF Banquet in February. There is over \$20,000 worth of gear and prizes available for raffle and auction. Instructions to sign up are on the STFF website and in this newsletter (form on page 14). We really hope to see a lot of Mayflies at this fun annual event. We are working on a schedule of Mayflies hosted fishouts for 2013. If you are interested in coordinating an outing, please let us know.

Remember, THERE WILL BE NO MAYFLIES MEETING IN JANUARY, but we'll see you at the STFF Meeting!

## Report Out: Trinity River Fishout November 15, 2012

On a mild fall morning on November 15<sup>th</sup>, close to a dozen Fly Fishers met at the Douglas City Fire Station for our November Trinity River fishout to chase fall-run steelhead. Ross gave an overview of our plan to break into groups to search out different river accesses from the Douglas City Bridge down to the North Fork. Ross took his group to the North Fork area, while Bary Caranci worked the Douglas City Campground water and Jim Murphy the accesses along Steiner Flat Road.

A few fish encounters were reported in the Douglas City accesses and three steelhead were hooked by the Caranci and Murphy groups. In the North Fork area we spotted some nice steelhead that were not cooperative and just gave us the fin!

We ended the day at the One Maple Vineyards where our host Ernie poured some nice chardonnays and cabernets. It was a fitting ending to a fine day on the Trinity River with all attendees reporting an abundance of sharing and camaraderie.

Many thanks to Bary and Jim for helping out and sharing their expertise with the attendees.

## Report Out: Trinity River Fishout December 6, 2012

The torrential downpour abated in time for the December 6<sup>th</sup> fishout on the Trinity River. Meeting at the Douglas City firehouse, we found Weaver Creek running high and off color. Road repairs on the highway proved a challenge, but once assembled we divided forces to fish the available access in the upper river. Ross Morrison led John Chernon, Al Nocella, and Kevin Kay to Steel Bridge where Kevin promptly hook and played a large steelhead to foot. Tom Taylor, Ralph Lestarjette, Wes Foreman, and Jess Hoopes joined Bary Caranci at the Bucktail access. Jess hooked and played a nice Brown trout near the put-in while the others hiked upriver to fish the upper holes.

Some fish were rolling and a fellow angler landed a fish near Wes, however no fish favored our lines. Bill Lenheim and Liesje Blank joined the group below the iron bridge in Lewiston and although a nice steelie attempted devouring Bill's indicator, none took our flies. Delayed by traffic, Carl Aronson later joined the group at Steel Bridge and John Alderson fished near Douglas City. The water level continued to drop throughout the day and the clarity improved; however, no one seemed to inform the steelhead.

Thanks to Ross Morrison for sharing his expertise and to all for a great day!

### **Project Healing Waters Fly Fishing - Shasta County**

The Project's program provides basic fly fishing, fly casting, fly tying and rod building classes, along with clinics for wounded and injured personnel ranging from beginners to those with prior fly fishing and tying experience who are adapting their skills to their new abilities.

All fly fishing and tying equipment is provided to the participants at no cost. Fishing trips, both one day and multi-day are also provided at no cost to the participants.

Project Healing Waters is unique in that our volunteers are teaching classes on an on-going, long term basis. It is much more than a one day fishing trip. For many participants, particularly disabled veterans, the socialization and camaraderie of the classes are just as important as the fishing outings, and provide them a new activity.

## **BEGINNING FLY TYING CLASS - THURSDAY PM**

The Beginning Fly Tying Class will start on Thursday, February 7, 2013 at 6:00 PM. This class is for people with no (or very little) fly tying experience. The class will cost \$40.00 per person. This includes all tying materials, manuals, loaner vises and tools for those members who do not have their own.

The class is three hours every Thursday night for six weeks. Each class is a progression of the class before, so if you are not going to be able to attend all the classes it will be difficult to follow the next class you attend. The class will be limited to 20 people! The deadline for the class sign-up will be at the end of the Jan 9th General Meeting.

If you are interested in the class there will be a sign-up sheet at the Jan 9th meeting or you can contact me at [dalesfishing@sbcglobal.net](mailto:dalesfishing@sbcglobal.net) or at home phone: 221-4988.

I am looking forward to another successful and enjoyable class. Please sign-up early as there will be no late entries due to difficulty in supplying manuals and material packages.

The member volunteers should be someone who would be available to help in the west Redding area during school hours. They would be needed a few days in January, then a weekly visit February through mid-March. For more information please contact either Allan Craig (247-7481) or Tom Taylor (549-3529).

## SEE YOUR PICTURE IN THE NEWSPAPER

The Outdoor Editor at the Record Searchlight is asking for photos of STFF members fishing taken any time after April, 2012, anywhere in the world. Please email me any photos you may have. They do not need to be people holding fish, although those are fine. Photos of Healing Waters people casting would be great. Your photos are great P.R. for our club. Thanks!

## Membership Renewal for 2013

The membership renewal requests have been sent in the mail to all STFF members. In that regard, the Board of Directors has determined that the annual dues for single and/or family memberships will remain at \$35 for the 2013 calendar year. This is a fantastic price for all the benefits offered through STFF.

Please complete your renewal promptly and return it [with your check] to STFF in the envelope provided in the mailing. We would like to receive all the renewals as soon as possible so we can publish an updated roster of all the club members.
