The President's _____ Line

Summer has finally arrived and the fly fishing activities are in full swing!

STFF officially kicked off the summer fishing season with our annual tri-tip dinner at Anderson River Park. This event was not only filled with great food (thanks to Kathie Burns, Jay Rawitzer and Jay's volunteers), but the afternoon included a wide variety of fly fishing gear that was available for purchase in the "swap & sell" event.

I know most of our members have plenty of activities planned for the next few months. Likewise, STFF has scheduled a full array of presentations for our monthly meetings.

- In **July**, our world-travelling member, **Creighton Smith**, will present a pictorial tour of some of his favorite fly fishing locations.
- In **August**, STFF member **Allan Craig** will take us bonefishing in Christmas Island.
- In **September**, past STFF president and author, **Chip O'Brien**, will give us an overview of many of the best fly fishing venues in the Northwest.

All of these presentations, plus fly tying, net building and rod building, coupled with some of the best fly fishing locations in Northern California. Yes, life is good for the Shasta Trinity Fly Fishers!

Enjoy the summer months with tight lines and I hope only the biggest trout rise to your flies!

STFF and The Fly Shop will be bringing the 2013 Fly Fishing Film Tour to the Cascade Theatre in Redding on October 26, 2013. Doors will open at 6:00 pm.

**Great raffle prizes and great films this year.
Proceeds will benefit Casting for Recovery.**

ROCK CREEK LAKE FISHOUT -- Annual 2013 Fundraiser by the Shasta Mayflies

- Aug 14 & 15 gals members only
- Aug 16, 17 & 18 open to members of both sexes and both clubs (Mayflies & STFF)

Outing is filling quickly! There are a few openings left, call ASAP, if interested.

Linda Slater, 530-246-0541 or email cam2ndd@aol.com

Due to the devastation of the 2012 Manton fires and the loss of the cabin and forest around Rock Creek Lake, this year will be a bit "trying". But, the GOOD NEWS IS THE CABIN IS TO BE REBUILT BY AUG 1, 2013 with 2 bedrooms and 2 baths. You can sign up for one day or two days.

Limits/costs on the lake will be 9 rods at \$30 each, per day. Cabin beds are limited, but some will be available for \$15, additionally.

Fish: Huge Rainbow and Brown Trout in The Fly Shop's "private waters fishery", under the peaks of Lassen in Manton CA, about an hour east of Redding.

Please send Linda Slater an email (cam2ndd@aol.com) if you are interested in attending this special annual event. Linda will send you further information.

In July, Linda will be confirming the reservations and update everyone. You will be put "on the list" in the order of your email or your phone call to Linda. There are 45 slots, but many folks fish more than one day. It's a fantastic opportunity that the Mayflies receive in order to raise money for the following years Kid's Camp Scholarships.

Assuming we sell this event out (normally it always does sell out and quickly), this fundraiser, combined with the proceeds from the May 18th Lake Christine fundraiser, will enable us to send two kids for a wonderful week of learning to fly fish at The Fly Shop's Kid's Camp. Plus, we won't be asking STFF board to pay for the Mayflies Scholarships, which they graciously did last year after our event was cancelled due to the Manton fires.

If you have never attended, check out The Fly Shop's webpage under Private Waters, Rock Creek Lake and see what WAS there. The TROUT STILL ARE! Big Browns, feisty colorful Rainbows and fun social time to get to know some of the other fly fishermen and fly gals better.

Hat Creek Fishout Report

On June 10, ten STFF fishers plus two supporters and one fish-pointing dog converged on Hat Creek for wild trout fishing. Meeting at the Shasta County day-use park, we found Jan Cameron already skillfully pursuing some risers. Spirits and optimism were high due to good flows, moderate temperatures and overcast skies.

Following an orientation and discussion of Hat Creek history and challenges, we split forces to fish PH2 riffle, where Al Nocella promptly hooked a small rainbow at Carbon Flat. Notes were compared at a lunchtime rendezvous at the riffle and the consensus was that the lack of hatches and bugs on the water was precluding the fish from aggressively feeding. We all moved to the barrier section for the afternoon. A few salmon flies were present, as well as golden stones. A few "follows and takes" were reported with a few smallish fish to the net.

While the landings were limited, the fishing was excellent. New friendships and more memories for old fishing buddies were developed and a wonderful day on beautiful wild trout waters was had by all.

A special thanks to Allan Craig and Jim Murphy for their valuable insights and help and to Allan for the great photos. And thanks to the following STFF'ers for attending: Jane and Toby Barnes, Jan and Walt Cameron, Allan Craig, Geoff Hansen, Steve Irey, Nancy Morrow, Jim Murphy, Al Nocella, Lorna Oden, Eric Steele and John Tumino.

2013 Kid's Fishing Days -- Volunteers Needed

Kid's Fishing Days at Mount Shasta Hatchery are scheduled for July 6 and August 3, 2013. Help kids catch their first fish at this annual event. **Please contact Allan Craig if you can help out** (247-7481 or allanangler@gmail.com). Volunteers report by 8:30 AM, and the fishing begins at 9:00 AM.

Christmas Island in 2014

Christmas Island in 2014 - want to go along? Allan Craig is organizing a trip and there will be room for 12 anglers at The Villages. The dates are April 29 - May 6, 2014.

This is an ideal location for a first time salt water experience, as the bonefish are numerous, and it's all wade fishing. If you'd like to know more, contact Allan at allanangler@gmail.com, or 247-7481.

June 2013 Kid's Fishing Day -- Report Out

The June Kids Fishing Day at Mount Shasta Hatchery went well and it was definitely cooler in Mt Shasta that day than in Redding. Thanks for all who volunteered to help out.

The June results are:

- Adults = 494
- Kids = 569
- Fish = 872
- STFF Volunteers = 9

We're looking forward to the next Kid's Fishing Day on July 6th. We typically have many more participants in July, so we hope to see more STFF volunteers! Volunteers should plan to arrive between 8:00 and 8:30 AM. Contact Allan Craig or Earl Johnson with any questions you might have.

Jim Tornillo at Turtle Bay's 2013 Father's Day Fly Tying event

Fly Fishing Film Tour comes to Redding, CA on October 26, 2013

Join Shasta Trinity Fly Fishers and The Fly Shop of Redding, CA when they present the Fly Fishing Film Tour (F3T), bringing the spirit of outdoor adventure and culture to the greater Redding area, at the Cascade Theatre on October 26, 2013 at 7:00 p.m.

The Fly Fishing Film Tour is the most anticipated and celebrated annual film tour in the fly fishing industry. The tour begins its annual continent-wide trek January 26th with over 40,000 attendees, 150-plus shows and more than 200 fly shop partners. The traveling tour serves as a stage for the best filmmakers in the industry and one of the best tours for aspiring outdoor enthusiasts and avid anglers alike.

Adventure is the focal point of the films featured in this year's tour. "We approached this year with the attitude that 'adventure is what you make it'. Sometimes the greatest adventures can be found in your own backyard or an urban corridor", says F3T co-owner Chris Keig. "So that's why, in addition to our usual assortment of fascinating destinations like Thailand, Bolivia, and Georgia (the country), we've also got great segments from Washington D.C., the Midwest, the Pacific Northwest and the Rocky Mountains."

Proceeds from this event will benefit Casting for Recovery. Casting for Recovery provides an opportunity for women whose lives have been profoundly affected by cancer to gather in a natural setting and learn the sport of fly fishing. The events that Casting for Recovery offers provide healing to many women.

For tickets and information contact The Fly Shop at 530-222-3555 and the Cascade Theatre Box Office at 530-243-8886.

A free program provided to wounded, injured and disabled veterans by

Project Healing Waters Fly Fishing - Shasta County

The Project's program provides basic fly fishing, fly casting, fly tying and rod building classes, along with clinics for wounded and injured personnel ranging from beginners to those with prior fly fishing and tying experience who are adapting their skills to their new abilities.

All fly fishing and tying equipment is provided to the participants at no cost. Fishing trips, both one day and multi-day are also provided at no cost to the participants.

Project Healing Waters is unique in that our volunteers are teaching classes on an on-going, long term basis. It is much more than a one day fishing trip. For many participants, particularly disabled veterans, the socialization and camaraderie of the classes are just as important as the fishing outings, and provide them a new activity.

Project Healing Waters Fund Raising Event **Saturday, July 20th**

9:30AM to 1:30PM at the STFF Clubhouse

Our Project Healing Waters chapter has received a donation of some fly tying materials with the condition that they be sold to raise funds to support PHW activities.

These materials were donated by the family of a fly tyer who passed away several years ago, so the items for sale are not new. However, they are generally in good condition and should be suitable for use by STFF's members.

Project Healing Waters Update

Project Healing Waters Fly Fishing has had a great month of June. We started June with an overnight trip on June 5th and 6th at Lassen Volcanic National Park, hosted by the National Park Service and the California Parks companies.

Upon arrival at Manzanita Lake we were given cabin assignments and boat assignments. After getting settled in we had a fireside talk given by the Park Biologist and Sam Plemons from Department of Fish and Wildlife (DFW). This presentation included information on the wildlife around Manzanita Lake and a discussion on the Heritage Wild Trout Program. It was a very informative talk and I think everyone learned something.

After the fireside talk we had some time to fish or just sit around and enjoy the peace and quiet. Most of us opted to go down to the lake during this free time. Around 5 PM a very nice hot dog and hamburger dinner was served (more food than a body can eat), complete with a cake. After dinner some went fishing and others just sat around, just too full to move.

The next morning we had coffee with a breakfast Egg McMuffin or just a muffin. Then it was off to a day of fishing. Lunch was served around noon at lake side.

Fishing both days was good for most of us, as I only heard of a couple of boats getting skunked. All in all, it was a fantastic two days of fishing.

Thanks to Charlie Nelson and Martin Johnson for several floats on the Sac. The first part of the month Charlie donated his time to take Jessie and a volunteer (I won't say the volunteer's name) on a float from Bonnieview to Balls Ferry. This turned out to be a great adventure for both the Participant and Volunteer, as you can see from the pictures.

Later in the month we hosted a group of Vets from our Long Beach (LB) chapter for two days of fishing. Again Charlie and Marty jumped in and provided floats for the group. With their help we had a two days of great fishing. According to the LB program lead, we spoiled them.

Our PHW participants are numbered at 23 at present with four more participants on the side that want to come aboard but just haven't.

As always I want to say thanks to everyone who have volunteered their time and efforts to make all of this happen for us. Without your continued efforts and support we would not be here.

-- Steve Spry, PHW Leader

SEE YOUR PICTURE IN THE NEWSPAPER

The Outdoor Editor at the Record Searchlight is asking for photos of STFF members fishing taken any time after April, 2012, anywhere in the world. Please email me any photos you may have. They do not need to be people holding fish, although those are fine. Photos of Healing Waters people casting would be great. Your photos are great P.R. for our club. Thanks! -- Jerry Marks at jerrymarks@digitalpath.net
