## The President's \_\_\_\_\_ Line

Over the past few years, our club has enjoyed a remarkable growth, to the point that, as of the end of July, our roster totaled 253 members. With that in mind, it is timely that we review **who we are, what we want to accomplish** and **why STFF was formed**. In my mind, there is no better way to accomplish that but to review the following:

### Shasta Trinity Fly Fishers -- Mission Statement

- ✦ To advance, promote and teach the art and science of fly-fishing through education, stressing the techniques and ethics of fly-fishing and “catch and release”.
- ✦ To promote the conservation of public recreational resources and the protection and preservation of wild, fresh and salt water and migratory game fish, in streams and lakes.
- ✦ To monitor local waters and bring to the attention of the public and governmental agencies issues which threaten the conservation and protection of fresh water, salt water, and migratory game fish.
- ✦ To encourage and practice the high standards of sportsmanship associated with fly fishing.
- ✦ To support fly fishers’ interests in assuring that suitable portions of public waters be reserved for angling with artificial flies only.
- ✦ To encourage family and youth participation in activities of the organization and to provide instruction in all phases of fly fishing for children and adults.
- ✦ To actively participate in restoration projects by making donations to organizations which are pursuing the activities consistent with the purposes of the club.

***This is who we are! As an STFF member, I hope you will participate in the club’s activities!***

-- Dick Recchia, President

### Upper Sacramento River Fishout Report -- 07/25/13

The July 25th Fishout found us on the Upper Sacramento River, following breakfast at the Cornerstone Cafe and a presentation from Bob Grace at the Ted Fey Fly shop in Dunsmuir.

The group split up with Tom Taylor and Alan Jones venturing up river to the Cantara Loop (they haven't been seen since, maybe they are still there!). Bary Caranci, Glen Graham and Brad O'Brian explored water upstream from the City Park. Jess Hoopes, Steve Ostendorf, Dan Frisk and Ken Martinez stayed for a tackle/casting demo by Allan Craig, which only took 30 seconds for him to show all he knew!

Fishing reports trickled in. It was rumored that a few fish were hooked and even fewer actually landed. No photo proof was given. Most of the group then followed Bary's guidance to a new section of water. At this location we did not leave empty handed; the berries and plums were ripe and we loaded up. Some actually fished for a few minutes, but most surrendered to the heat of the mid-day sun.

Measuring the success by smiles rather than fish numbers, it was an enjoyable trip. It was a good intro to fishing this beautiful river so close to home and all vowed to return when the weather is cooler. *(Related photos on pages 4 & 5.)*

## Manzanita Lake Fishout Report -- 08/20/13

The day on Manzanita Lake was a mixed weather day. It was cloudy with light rain in the morning, then clearing in the afternoon. The winds never did pick up, which it does on a normal day.

Ten club members manned their watercraft after checking out the cool card John Boyden had made up with samples of flies that recently caught fish on the lake.

The morning hatch started around 0900 but, because of the strange weather, was mediocre at best. Ken Martinez and Tom Taylor caught a few with CDC spinner type flies. Others had some grabs using various dry flies.

Later in the morning Allen Craig arrived and dredged the bottom with a sinking line. Not sure what he caught, but I know he took a lot of photos. *(Related photos by Allan Craig on page 6.)*

Greg and Crystal Cash spent the previous night camping and were on the lake at daybreak. They finished early and I didn't get a fish count from them.

I believe Rodney Cloutier caught the most fish throughout the day. Don Bovo, John Boyden, Warren Carlson and new members, Paul Traficante and Cathy, were the rest of the attendees also catching a few fish each.

All had a great time,

**-- John Boyden, Fishmaster**

## 2013 Kid's Fishing Day Report Out

2013 STATS	JUNE	JULY	AUGUST	TOTAL
KIDS	569	1016	810	2395
FISH CAUGHT	872	1768	1610	4250
ADULTS	494	941	774	2209
STFF VOLUNTEERS	9	13	12	34
<i>Farthest Distance Traveled: Florida</i>				

Thanks to all the club volunteers that help to make this such a successful event each year. Many parents and kids express their appreciation for making it all possible. So many have never caught a fish before, so what a great way to start!

The STFF volunteers in August were: Rich Artusy, Brad and Beth Best, Greg Cash, Allan Craig, Gary Heffley, Jess Hoopes, Sue Horkey, Earl and Roni Johnston, Ron Saiki and Creighton Smith. Hope no one was missed on the "Thank You" list!

### *Mayflies Corner*

The Mayflies' annual Rock Creek Fundraiser was a big success with thanks to coordinator, Linda Slater. Thanks also to The Fly Shop, who donated the property again for our annual fundraiser to raise money for the Kid's Fishing Camp Scholarship. Each scholarship is valued at \$750, for a 4-day 3-night Fly Fishing Camp at Antelope Creek Ranch outside of Mt. Shasta.

We had 27 STFF members (including some new members) participate this year, spending one *or more days* at the 9-acre private lake near Manton. Most everyone caught at least one nice Rainbow or Brown even though the weather was hot and the surroundings were much different after the trees and cabin had been burned in the 2012 Ponderosa Fire.

The most consistent place to catch a trout was the dock area and quite a few trout were brought in without the need for waders! Don W. had a great afternoon striping with a *fiery brown or olive wiggletail (a Jay Fair fly)*, but *Quigley cripples*, Emergers and even a few *Purple Haze dries* found their way into the lips of finning trout. Heard the Martin brothers did well too; Congrats Gerry and Rich to a great day fishin'! (*Photo collage on page 8.*)

We raised a total of \$1,329.25. Combining these funds with our earlier Lake Christine Fundraiser, we reached our goal! It was nice to get together with old friends and make new ones too. Thank you to all who supported this fundraiser.

The Mayflies will be sponsoring an outing on the Upper Sacramento River on Oct. 19th, so be watching for information and sign-ups at the STFF meeting. We also want to encourage you to attend the Fly Fishing Film Tour Oct. 26th and will need assistance from Mayflies for selling raffle tickets prior to the film. Please let Kathie Burns know if you are willing to volunteer that evening.

Tight lines....

## Christmas Island in 2014

Christmas Island in 2014 - want to go along? Allan Craig is organizing a trip and there will be room for 12 anglers at The Villages. The dates are April 29 - May 6, 2014.

This is an ideal location for a first time salt water experience, as the bonefish are numerous, and it's all wade fishing. If you'd like to know more, contact Allan at [allanangler@gmail.com](mailto:allanangler@gmail.com), or 247-7481.

# Fly Fishing Film Tour Comes to Redding, CA on October 26, 2013

Join Shasta Trinity Fly Fishers and The Fly Shop of Redding, CA when they present the two-hour Fly Fishing Film Tour (F3T), bringing the spirit of outdoor adventure and culture to the greater Redding area, at the Cascade Theatre on October 26, 2013 at 7:00 PM (doors open at 6 PM).

The Fly Fishing Film Tour is the most anticipated and celebrated annual film tour in the fly fishing industry. The tour begins its annual continent-wide trek January 26th with over 40,000 attendees, 150-plus shows and more than 200 fly shop partners. The traveling tour serves as a stage for the best filmmakers in the industry and one of the best tours for aspiring outdoor enthusiasts and avid anglers alike.

Adventure is the focal point of the films featured in this year's tour. "We approached this year with the attitude that 'adventure is what you make it'. Sometimes the greatest adventures can be found in your own backyard or an urban corridor", says F3T co-owner Chris Keig. "So that's why, in addition to our usual assortment of fascinating destinations like Thailand, Bolivia, and Georgia (the country), we've also got great segments from Washington D.C., the Midwest, the Pacific Northwest and the Rocky Mountains."

Proceeds from this event will benefit Casting for Recovery. Casting for Recovery provides an opportunity for women whose lives have been profoundly affected by cancer to gather in a natural setting and learn the sport of fly fishing. The events that Casting for Recovery offers provide healing to many women.

Raffle prizes awarded during the showing at the Cascade Theatre include a 50-bottle collection of Napa and Sonoma wines, a fly fishing kayak, fly fishing excursions and much, much more!!

For tickets and information contact The Fly Shop at 530-222-3555 and the Cascade Theatre Box Office at 530-243-8886. Tickets also for sale at the upcoming STFF meetings in August and September. For more information go to [www.flyfilmtour.com](http://www.flyfilmtour.com)

**A free program provided to wounded, injured and disabled veterans by**

**Project Healing Waters Fly Fishing - Shasta County**

The Project's program provides basic fly fishing, fly casting, fly tying and rod building classes, along with clinics for wounded and injured personnel ranging from beginners to those with prior fly fishing and tying experience who are adapting their skills to their new abilities.

All fly fishing and tying equipment is provided to the participants at no cost. Fishing trips, both one day and multi-day are also provided at no cost to the participants.

Project Healing Waters is unique in that our volunteers are teaching classes on an on-going, long term basis. It is much more than a one day fishing trip. For many participants, particularly disabled veterans, the socialization and camaraderie of the classes are just as important as the fishing outings, and provide them a new activity.
